BUSINESS PROFILE

ABOUT US

TIJARAT BD International Established in (Dhaka) Bangladesh in the year 2015, we "TIJARAT Is a company with many years of experience in Construction & Power related Electronics Products that specializes in representing and protecting its clients' interests in their most important building projects. We operate around the Country and maintain a close relationship with the regional industry. We use high quality raw material throughout our service in every field. We procure the raw material from quality driven organization that is checked at our quality inspection unit as to provide unique quality service to our esteemed clients. We offer these services after complete planning and designing of the project.

Our team of experts and professional engineers are gaining experience from past many years in the field of civil engineering & Electronics goods supply. We use latest and high performance machinery & equipment's in our services. We provide these services in various parts of the country and make a permanent relationship with our esteemed clients. Our Engineers are vast experienced and overseas trained in the field of assembling of electrical and electronic products. Our highly skilled, experienced, degreed engineers are well familiar with the local industry and this allows us to maintain our successful strategy of personal commitment to customers as well as excellent service

Company Name	:	Tijarat BD International
Registered Address	:	123, Kakrail (2nd floor) Dhaka
Corporate Address	:	W-19 Nurjarah Road Mohammadpur Dhaka-1207
Contact	:	02-58157995, 01711-106481, 01400-700786
E-mail	:	info@tijaratbd.com, sktipu@gmail.com

OUR PRODUCT HIGHLIGHTS:

OUR VISION

Our vision is to be the leading organization and the one stop all from one source supplier to provide our customers with maintenance free, long lasting, reliable, durable, smart and customized.

- Professional Management
- Import & Export Experience
- Reliable highly skilled workforce
- Ability to work in operational environments
- Ten-years Experience.
- Strong financial position
- Competitive Pricing
- Excellent Track record

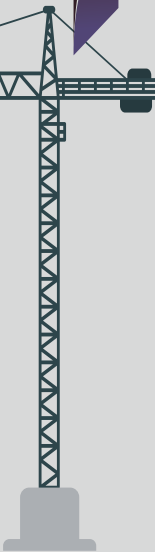

OUR STRENGTHS

OUR MISSION

- Develop customer relationships which provide services tailored to specific customer needs.
- Provide employees with on-going training to enhance knowledge and skills, develop problem solving and decision making abilities, and offer opportunities for advancement;
- Apply cost effective production systems and sound fiscal planning;
- Utilize Continuous Process Improvement strategies to ensure the highest quality products and services.

OUR TEAM COMPRISES OF

ENGINEERS	...	
QUALITY ANALYSTS	...	
SKILLED WORKERS	...	
ARCHITECTS	...	
TECHNICIANS	...	
SALES & MARKETING PROFESSIONALS	...	

- Treat all individuals with courtesy, dignity, and respect.
- Work together as a team to provide quality services.
- Recognize the value of all employees in attaining our goals.
- Work cooperatively to solve problems and develop solutions.
- Work closely with our customers to understand their needs and provide high quality products services.
- Recognize the strengths of those we work with and focus our efforts on helping them overcome their weaknesses.
- Provide a work environment which motivates our employees and encourages independence, cooperation, respect, and humor.

ONLINE-UPS

FEATURES AND BENEFITS

- True on-line double conversion technology for high level of protection
- Optional specialized UPS management software
- User friendly LCD display
- Failsafe internal bypass
- Switch with manual control
- Wide Input Voltage Range
- Pure Sinewave output
- Emergency Power Off IPOFI Function
- Digital Control Technology IDCT
- Battery Over Charge & Deep Discharge Protection

AVAILABLE CAPACITY (THREE PHASE)

Capacity: 10kVA, 15kVA, 20kVA, 30kVA, 40kVA, 50kVA, 60kVA, 80kVA, 100kVA---1000KVA
Input: 300V-460V, 3 Phase, 50Hz,
Output: 380V/400V/415V $\pm$ 1%, Three Phase, 50Hz,
PF: 0.8/0.9
Battery: 360/384 VDC

AVAILABLE CAPACITY (SINGLE PHASE)

Capacity: 1kVA, 2kVA, 3kVA, 6kVA, 10kVA, 20kVA, 30kVA
Input: 140V~276V, 3 Phase, 50Hz,
Output: 220/230/240+1% 1Phase, 50Hz,
PF: 0.8/0.9
Battery: 36v-1KVA, 96v-2kVA&3kVA, 192v/240vkva& 10kva

AUTOMATIC VOLTAGE STABILIZER

FEATURES AND BENEFITS

- Auto/Manual operation (Optional)
- Ensure smooth output with available power
- Environmental friendly
- Fully Automatic controlled
- Input & output voltage of each phase monitored separately
- Internationally safety standard

AVAILABLE CAPACITY (THREE PHASE)

Capacity: 3kVA, 4.5kVA, 9kVA, 10kVA, 15kVA, 20kVA, 30kVA, 40kVA, 60kVA, 90kVA, 100kVA, 125kVA, 150kVA, 200kVA, 250kVA, 300kVA, 350kVA, 400kVA, 500kVA, 600kVA, 800kVA, 1000kVA 1200kVA, 1600kVA
Input: 300V-456V, 3 Phase, 50Hz
Output: 380V/400V/415V $\pm$ 3%, 3 Phase, 50Hz
Voltage: Startup delay 3.7 sec - 3.7 Min (Optional), Under Voltage, Over voltage, Short circuit, Overload
Communication: Servo motor controlled, Individual phase controlled/ combined phase controlled

AVAILABLE CAPACITY (SINGLE PHASE)

Capacity: 650VA, 1kVA, 2kVA, 3kVA, 5kVA, 7.5kVA, 10kVA, 15kVA, 20kVA, 30kVA
Input: 140V-250V, 1 Phase, 50Hz
Output: 220V /230V /240V $\pm$ 3%, 1 Phase, 50 Hz
Voltage: Voltage Startup delay 3.7sec - 3.7 min (Optional), Under Voltage, Over voltage, Short circuit, Overload
Communication: Servo motor controlled

DISTRIBUTION TRANSFORMER

We manufacture various types of 3 phase Distribution & Auto transformer. Aspire is manufacturing Low loss, high quality & high efficient transformer. Tijarat has made name for itself by in flinching faith in quality and technology up gradation, Tijarat has built up a reputation for quality, efficiency, cost effective, competitive in all area. Our available product range is 11/0.415kVA, 3 Phase, 50Hz and capacities are 100kVA to 1250kVA, customized product also available. Uses mostly off load tap changer which are sourced from the best

LT SWITCHGEAR

A distribution board also known as panel board, breaker panel, or electric panel) is a component of an electricity supply system that divides an electrical power feed into subsidiary circuits, while providing a protective fuse or circuit breaker for each circuit in a common enclosure. Normally, a main switch, and in recent boards, one or more residual-current devices IRCDI or residual current breakers with over current protection IRCBOI, are also incorporated.

HT SWITCHGEAR

Tijarat BD International is a manufacturer of high tension switchgear panel; it's constricted by Load Break switch or vacuum circuit breaker, which are protective equipment is used at 11 kV sub-station, Rated voltage 11 kV, 630N 125/JA, 5/JHz and Breaking capacity 20kA and more, followed standard as per BNBC-200'S, IEC (:/JJYJ, NFPA-70, IEEE, The Load break switch are manual operated, vacuum circuit breaker are Fixed/Draw out type, monitoring system current & voltage. The standard panel size is lwxhxl 900 x 900 x 1800 mm.

PFI (POWER FACTOR IMPROVEMENT) PLANT

Power Factor of the system is degraded due to inductive load of different industries and big apartments. Tijarat BD International manufactures PFI Power Factor Improvement Plant for improving the degraded Power Factor of the system.

DIESEL GENERATOR

Tijarat BD International offers world-class Diesel Generator Brand/Engines Perkins, Cummins, Ricardo, Kafo, Lovol, Volvo, Alternator: Stamford, MecAlte, origin Europe & China We provide installation services, after sale services, warranty and spare parts supports Diesel Generator within warranty period and after warranty period.

LIFT / ELEVATOR

Tijarat offers world-class brand Passenger/Elevator Lift which is Sigma, Sanel, Fuji, Fuji HD etc. origin Europe & China We provide installation services, after sale services, warranty and spare parts supports of Lift within warranty period and after warranty period.

AIR CONDITIONER

Tijarat BD International offers world-class brand Air Conditioner Split /window type with capacity 1 Ton to 2.5 Ton General, Media, Carrier, Chigo, and 10 tons to 100 tons VRF, Sami VRF & Duck Type We Provide installation services after sale service within warranty period.

SMF BATTERY

Tijarat BD International offers world-class brand SMF Battery for UPS with capacity between 12V.7AH to 12V.200AH origin is China We provide Sale & installation services after sale service within warranty period and after warranty period

OUR CONSTRUCTION PROJECTS:

We are committed to provide you the best real estate investment opportunities that will meet your expectations and beyond. **Tijarat Construction** is renowned for its spectacular and innovative living concepts and bold architectural designs. We ensure you only the best and most committed team of **Professional Architects**.
